

EQUATOR CATERING LTD

Quality Policy

Our mission at Equator Catering Ltd is to continually and consistently satisfy our customers' needs through high quality products and services.

We aim to achieve high product quality through our commitment to implement an internationally recognized quality system like ISO 9001:2000. Therefore our policy is to ensure and guarantee customer and consumer satisfaction, consistently and systematically, through effective management of systems, which will also meet the needs of employees, shareholders, suppliers and the community at large.

In our quest to achieve customer and consumer satisfaction, the aspirations of our shareholders and social welfare of our community, we shall also ensure that we comply with Government laws and Local regulations, thus enabling, at the same time, our employees to operate in a safe and healthy environment.

This quality policy provides a framework for establishing quality objectives for the company, which will be reviewed periodically for continued suitability to improve the effectiveness of the system.

This Quality Policy supports the Food Safety Policy of the company and shall be communicated to all employees, using various means available, such as meetings, quarterly feedbacks, memos and training.
